

While we navigate through these challenging times in response to COVID-19, we greatly appreciate your support and understanding.

Due to the complexities of multiple travel restrictions and advisories of different government bodies across the globe, the owner of the hotel has made the difficult decision to suspend the ibis Styles Siem Reap operations from 13 April 2020 to 31 May 2020.

Our priority remains the care and wellbeing of our employees and guests, and every effort is being made to support impacted individuals through these difficult times. The company will take actions as per below list which is communicated and agreed by all employees

- ❖ 30% deduction from basic salary for rank and file to assistant manager level in April, May 2020
- ❖ 50% deduction from basic salary for manager level to general manager in April, May 2020
- ❖ From 01-12 April, every staff must come to work as per regular roster or leave must be applied
- ❖ From 13 April to 31 May all staff must not come to work, except assigned staffs as per master suspension roster
- ❖ Any staffs assigned for duty will receive meal allowance \$2/person/day

We sincerely appreciate your understanding.

Meanwhile, please stay safe and take care during these difficult times.

Yours Sincerely,

Pheakdey LONG  
T&C Manager

Nitah THONGSUK  
General Manager
